Co-ordination of Extended Health Care and Dental Care Benefits

Did you know that you can recover up to 100% of your expenses if you coordinate claims with your spouse's group plan? This is called coordination of benefits and (briefly) here's how it works:

If you have a claim for yourself: then submit to Manulife first. For any unpaid balances, send a copy of your Manulife claim statement and the other insurance carrier's claim form to the other insurance company for processing.

If you have a claim for your Spouse: then submit the claim to your Spouse's insurance company. For any unpaid balance, send a copy of the other insurance company's claim statement with a completed Manulife claim form to us for processing.

If you have a claim for a dependent Child: then send the claim to the insurance carrier of the parent whose birthdate falls earliest in the calendar year first. Submit any unpaid balance to the other insurance company.

For complete details, please go to www.manulife.ca/groupbenefits.

Naming a Beneficiary

This Plan contains a provision removing or restricting the right of the covered person to designate persons to whom or for whose benefit money is to be payable.

Manulife does not accept beneficiary designations for any benefits other than Employee Life Insurance, Employee Optional Life Insurance, Accidental Death and Dismemberment and Employee Voluntary Accidental Death and Dismemberment.

Time Limit on Legal Action

If an appealed claim is subsequently denied, then you may not commence legal action against Manulife less than 60 days after proof has been filed as outlined under Submitting a Claim. Two disabilities which are due to unrelated causes are considered separate disabilities if they are separated by a return to work of at least one day.

- g) associated with any Drug, supply or service that was subject to the Due Diligence process, the process has been completed with the result that expenses for that drug, supply or service are eligible under the policy as of the date of approval as determined by the Administrator and shared with your employer as required.

In the event that a provincial plan or government-sponsored program or plan or legally mandated program excludes, discontinues or reduces payment for any services, treatments or supplies formerly covered in full or in part by such plan or program, this plan will not automatically assume coverage of the charges for such treatments, services or supplies, but will reserve the right to determine, at the time of change, whether the expenses will be considered eligible or not.

This plan will not automatically assume eligibility for all Drugs, services and supplies. New Drugs, existing Drugs with new indications, services and supplies are reviewed by Manulife using the Due Diligence process. Once this process has been completed, the decision will be made by Manulife to include as a covered expense, include with Prior Authorization criteria, exclude or apply maximum limits.

Manulife maintains a list of Drugs, services and supplies that require Prior Authorization. Prior Authorization is applied to ensure that the therapy prescribed is Medically Necessary. Where there are Lower Cost Alternative treatments or prescribing guidelines recommend alternative Drugs be tried first that are lower in cost, you or your eligible dependents will be required to have tried an alternative treatment unless medical contraindications to alternative treatments exist.

At Manulife's discretion, medical information, test results or other documentation will be required from your physician to determine the eligibility of the Drug, service or supply.

Manulife has the right to ensure you or your dependents access Manulife's Exclusive Distribution channels where applicable when purchasing a Drug, service or supply. Manulife may decline a Drug, service or supply purchased from a provider outside the Exclusive Distribution channel.

Adherence

Non-compliance may result in the drug, service or supply no longer being eligible for reimbursement.

Manulife may require you or your Dependents to apply to and participate in any Patient Assistance Program to which you or your Dependents are entitled. Manulife reserves the right to reduce the amount of a Covered Expense by the amount of financial assistance you or your Dependents are entitled to receive under a Patient Assistance Program.

Disease Management Programs

Emergency Travel Assistance

Emergency Travel Assistance provides travel assistance for you and your dependents while you are temporarily outside your province of residence and is offered for the same period as specified under the Out-of-Province/Out-of-Canada benefit. The assistance services are delivered through an international organization, specializing in travel assistance.

Assistance is provided for both Medical and Non-Medical travel emergencies. Services are available during the period that you are covered for Out-of-Province/Out-of-Canada emergency medical treatment, provided under this benefit.

In addition, Emergency Travel Assistance also provides you and your dependents with Health Advice and Assistance, whenever and wherever such services are needed - whether at home or while travelling.

Details on your Emergency Travel Assistance benefit are provided below, as well as in your Emergency Travel Assistance brochure.

Medical Emergency Assistance

A Medical Emergency is:

- a) a sudden, unexpected injury or a new medical condition which occurs while a covered person (you or your Dependent) is travelling outside of his province of residence; or

- b) had an increase or worsening of any existing symptoms;
- c) changed treatments or medications (other than normal adjustments for ongoing care); or
- d) been admitted to the hospital for treatment of the condition.

Coverage is not available if you (or your Dependents) have scheduled non-routine appointments, tests or treatments for the condition or an undiagnosed condition.

Coverage is also available for medical emergencies related to pregnancy as long as travel is completed at least 4 weeks before the due date.

A medical emergency ends when the attending physician feels that, based on the medical evidence, a patient is stable enough to return to his home province or territory.

- b) receiving Employment Insurance maternity or parental benefits;

or
- g) incarcerated in a prison, correctional facility, or mental institution by order of authority of a criminal court.

Amount of Disability Benefit Payable

The amount of disability benefit payable to you is the Benefit Amount shown above reduced by any disability benefits you receive or are entitled to receive from the following sources for the same or related disability:

- a) Workers' Compensation or similar coverage;
- b) Canada or Quebec Pension Plans, excluding dependent benefits but including CPP/QPP Retirement benefits; and
- c) any government motor vehicle automobile insurance plan or policy, unless prohibited by law.

If necessary, the amount of your benefit will be further reduced so that your total income from all sources does not exceed 85% of your pre-disability gross Earnings (net Earnings, if your benefit is non-taxable). All sources include those sources stated above and any benefit you are entitled to receive from:

- a) any group, association or franchise plan;
- b) any retirement or pension plan;
- c) earnings or payments from any employer, including severance payments and vacation pay;
- d) self-employment; and
- e) any government plan, excluding Employment Insurance Benefits.

Once benefits become payable, the amount of your benefit will not be affected by any subsequent cost of living increase in benefits you are receiving from other sources.

Benefit Calculation Rules

Manulife will apply the following rules in determining your disability benefit:

- a) benefits payable from other sources which began before the commencement of your current disability will not be taken into account;
- b) benefits payable from other sources will not be adjusted to take into account any difference between the tax status of those benefits and the benefit payable by Manulife;
- c) subsequent changes in benefits from other sources, other than cost of living increases, will be taken into consideration and a new benefit amount may be established;
- d) benefits payable under individual disability income insurance will not be taken into account;
- e) for benefits payable, other than on a monthly basis, a monthly equivalent of such benefit will be estimated by Manulife; and
- f) if you do not apply for a benefit for which you are eligible, the amount of such benefit will be estimated by Manulife and assumed to be paid.

Subrogation

If your disability is caused by another person and you have a legal right to recover damages, Manulife will request that you complete a subrogation reimbursement agreement when you submit your Long Term Disability claim.

On settlement or judgement of your legal action, you will be required to reimburse Manulife those amounts you recover which, when added to the disability benefits that Manulife paid to you, exceed 100% of your lost income.

Tax Status of Benefits

The tax position of any payments you receive under this benefit depends on whether you or your employer pays the cost of the benefit.

If your employer pays a portion or all of the cost, then any disability benefit payments you receive will be taxable. If you pay the full cost of the benefit, then any disability benefit payments you receive will be non-taxable.

Payment of Disability Benefits

Disability benefit payments will be made monthly in arrears. Any payment for a period of less than one month will be made at a daily rate of one-thirtieth of your monthly benefit amount.

Rehabilitation Assistance

Once Manulife determines that you are Totally Disabled, if appropriate, and at Manulife's discretion, you may be offered rehabilitation to assist you in returning to gainful employment, either to your pre-disability occupation or to another occupation.

In considering whether Rehabilitation Assistance is appropriate for you, Manulife will take into account:

- a) the nature, extent and expected duration of your disability;
- b) your level of education, training or experience; and
- c) the nature, scope, objectives and cost of a Vocational Plan.

Your Group Benefits

- Vocational Plan

A Vocational Plan is a training or job placement program that is expected to facilitate your return to gainful employment.

If it is determined that Rehabilitation Assistance is appropriate for you, in partnership with you and your employer, Manulife will provide a structured Vocational Plan that will prepare you for a return to work, either:

- a) with your employer;
- b) with an alternate employer; or
- c) in a self-employed capacity.

- Disability Benefits During Rehabilitation

You will continue to be entitled to disability benefits while participating in the Vocational Plan. If you receive any earnings as part of the plan, your disability benefit will be reduced once your total income (your disability benefit plus your earnings) exceeds 100% of your pre-disability gross Earnings; net Earnings if your benefit is not taxable.

If you cease to participate in the Vocational Plan because of a change in your medical status, Manulife will require medical evidence documenting how your current medical status prevents you from continuing with the Vocational Plan.

If you are not available or do not co-operate or participate in the Vocational Plan, you will no longer be entitled to disability benefits.

Termination of Benefit Payments

Your disability benefit payments will cease on the earliest of:

- a) the date you cease to be Totally Disabled, as defined under the Explanation of Commonly Used Terms;
- b) the date you do not supply Manulife with appropriate medical evidence documenting how your illness or injury causes you to be Totally Disabled, as defined under the Explanation of Commonly Used Terms;
- c) the date you do not attend an examination by an examiner selected by Manulife;
- d) the date on which benefits have been paid up to the Maximum Benefit Period for this benefit; or
- e) the date of your death.

Recurrent Disability

If you become Totally Disabled again from the same or related causes within 6 months from the end of the period for which Long Term Disability benefits were paid, Manulife will treat the disability as a continuation of your previous disability.

You will not be required to satisfy the Qualifying Period again. The benefit payable to you will be based on your Earnings as at the date of your previous disability. Benefits for all such recurrent disabilities will not be paid for a combined period longer than the Maximum Benefit Period for this benefit.

If the same disability recurs more than 6 months after the end of the period for which benefits were paid, such disability will be considered a separate disability.

Two disabilities which are due to unrelated causes are considered separate disabilities if they are separated by a return to work of at least one day.

Waiver of Premium

The premium for your Long Term Disability benefit will be waived during any period you are entitled to receive Long Term Disability benefit payments.

Survivor Benefit

If you die while disability benefits are payable, Manulife will pay a benefit to your surviving dependents. If there are no surviving dependents, the benefit is payable to your estate.

The amount of the Survivor Benefit payable is (3) times your last monthly benefit payment, less the amount of any outstanding benefit overpayments.

Exclusions

No benefits are payable for any disability related to:

- a) self-inflicted injuries, unless medical evidence establishes that the injuries are related to a mental health illness;
- b) war, insurrection, the hostile actions of any armed forces or participation in a riot or civil commotion;
- c) medical or surgical care which is not medically necessary;
- d) the committing of or the attempt to commit an assault or criminal offence;
- e) injuries sustained while operating a motor vehicle while under the influence of any intoxicant, including alcohol;
- f) abuse of addictive substances, including Drugs and alcohol, unless you are actively participating and co-operating in an in-patient medical treatment program for substance abuse which has been approved by Manulife; or
- g) a Pre-Existing Condition which causes disability within the first 12 months of your Long Term Disability coverage.
