

Employment Action Centre

NOTICE:

We are serving employees from the Interfor Hammond Cedar sawmill in Maple Ridge that will experience job loss due to mill closure on or about November 26, 2019. These highly trained and experienced workers are seeking employment now. The USW Local 2009 Employment Action Centre has exceptionally skilled workers whose expertise includes:

- | | | |
|----------------------|-------------------------|---------------------|
| * Welders | * Sawfilers | * Electricians |
| * Millwrights | * Labourers | * Sawyers |
| * Graders | * Feeder Boat Operators | * Log Loaders |
| * Forklift Operators | * Charge Hands | * Stacker Operators |
| * Quality Inspectors | * Mechanics | * Power Engineers |

If You have any employment opportunities for any of these positions, please fax information or give us a call, or e-mail at: office@usw2009.ca and take advantage of our free services.

We will work together to fill your staffing needs without you having to spend any money in advertising. Our services include providing full profiles and resumes of potential candidates.

Help us make the employment transition a smoother journey for all who are involved.

Thank-you for your time and consideration.

United Steelworkers Local 2009
